

PHILADELPHIA PO BOX ACCEPTS LOCAL DONATIONS

We have received many questions regarding our new return address for financial donations, P.O. Box 824215, Philadelphia, PA 19182-4215. We understand that when you support us financially, you are doing much more than showing you believe in the Red Cross ... you are also putting your trust in us. And we take that trust very seriously. You expect us to use your contribution wisely; which includes cutting unnecessary expenses and we are working hard to do just that. Just as our communities are looking at ways to share services such as road repair and 911 dispatch, we have consolidated several administrative functions among the Red Cross chapters that serve the northern New Jersey area. As part of these cost-cutting efforts, all of our mail is being centrally processed at the Philadelphia location. It's as simple as that. In each chapter your neighbors, family and friends continue to provide core humanitarian services to our local community including: relief for disaster victims, assistance to military families, health & safety courses, community blood drives as well as our transportation program for seniors. We thank you for your continued support of our mission and invite you to join us in reaching our common goal –making our community a safer, healthier place to live, learn, work and play!
